roadmap that keeps attention locked on the next task. The Osu Calendar borrows its name from the rhythm-based game but applies its core principle—tight, rhythmic timing—to personal scheduling. Instead of a generic calendar grid, it features a series of color-coded “beats” that represent individual time blocks. Each beat is anchored to a specific goal, making it impossible to overlook a single step in a larger project. **Visual Momentum:** By displaying the entire week as a sequence of beats, the calendar creates an implicit sense of progress. The eye naturally moves forward, reducing the temptation to skip ahead. **Micro-Goal Segmentation:** Each beat is short enough to be completed within a 10–15 minute window, mirroring proven Pomodoro intervals but embedded directly in the schedule.
