The template should include a clear outline of the head and ears, with a cut-out hole in the center for the letter. Using a ruler, trace the outline onto the chosen cardstock, then cut around the shape with a precision knife for crisp edges. Sketch the Letter Inside the central opening, lightly pencil the desired alphabet character in uppercase. The letter should be centered and sized so that it remains legible when the card is folded. Cut the Letter Out Using a small craft knife or an X-Acto knife, carefully excise the letter. Keep the cuts neat; this will be the focal point when the card is displayed. Decorate Once the letter is in place, embellish the exterior with your chosen media. Bright markers, a splash of paint, or a collage of cut-out shapes add visual interest.
