Corps' ethos. The goal is to guide performance, correct deficiencies, and foster career growth. Without a clear structure, however, these conversations can become vague, subjective, or uncomfortable for both parties. The USMC has recognized this, developing standardized tools to ensure consistency, fairness, and focus across all units. At the heart of simplified counseling are the official worksheets, most commonly the Counseling Worksheet (NAVMC 11620). These aren't just forms to fill out; they are roadmaps for dialogue. The PDF format makes them universally accessible and easy to store. Key components typically include sections for identifying strengths, specifying areas for improvement with concrete examples, and setting clear, achievable goals with timelines. This transforms a potentially subjective talk into an objective, development-focused. Effective use goes beyond printing the form. A best practice is to complete the worksheet collaboratively with the Marine being counseled. This approach fosters ownership and transparency. Start by reviewing performance against the traits of a "Quality Marine," then use the worksheet to document specific observations. Instead of vague feedback, note exact instances. For example, instead of "needs better initiative," write "Took the initiative to reorganize the supply inventory without being asked on 15 Oct."
